Domestic Developments

- What is your interpretation of the September FOMC events? What are your expectations for the pace of interest rate hikes and for reinvestments? What are your views on the U.S. growth, labor market, and inflation outlooks?
- What is your assessment of valuations in domestic equity and credit markets?

Global Developments

- Given persistently low growth and inflation in Japan, Europe, the U.K., and the U.S., what are your views on the efficacy of recent monetary policy actions? How are you assessing the options available to monetary and fiscal authorities to address future adverse shocks?

Political and Regulatory Landscape

- What are your views on the implications for financial markets of the U.S. Presidential election thus far as well as following the results of the election?
- How are large global banks adapting their business models and funding profiles to banking regulation and money fund reform? What are the implications for financial markets?
